

# **SALLY SELLS SEASHELLS (AND YOU CAN, TOO!)**

*A New Children's Musical*

***Sally Sells Seashells (And You Can, Too!)*** is a hilarious and heartfelt exploration of the "Sally" behind the famous tongue-twister.

Sally is a kid con-artist who explodes onto a quiet beach town with a get-rich-quick seashell-selling-scheme. For a small fee, she trains the kids on how to sell seashells before the annual summer festival but plans to skip town with all their money before the big event! Sally becomes torn after meeting a local, Tam, who joins the program eager to help her family. The kids in this little beach town will never be the same as they learn the importance of friendship, honesty, and finding a healthy balance between working hard and having fun.

**CAST:** Tam and Sally are the leads and require a very strong actor/singer for each. There are many other featured characters with solos, as well as strong ensemble numbers. There is a part for everyone!
